Longevity Increment Eligibility Rules

The following rules shall govern the eligibility of Employees for the longevity increments provided for in Article III, Section 8 of the 2010 - 2017 Social Services & Related Titles Agreement.

1. Only service in pay status shall be used to calculate the 15 years of service, except that for other than full time per annum employees only a continuous year of service in pay status shall be used to calculate the 15 years of service. A continuous year of service shall be a full year of service without a break of more than 31 days. Where the regular and customary work year for a title is less than a twelve month year, such as a school year, such regular and customary year shall be credited as a continuous year of service counting towards the 15 years of service. If the normal work year for an Employee is less than the regular and customary work year for the Employee's title, it shall be counted as a continuous year of service if the Employee has customarily worked that length work year and the applicable agency verifies that information.
2. Service in pay status prior to any breaks in service of more than one year shall not be used to calculate the 15 years of service. Where an employee has less than seven years of continuous service in pay status, breaks in service of less than one year shall be aggregated. Where breaks in service aggregate to more than one year they shall be treated as a break in service of more than one year and the service prior to such breaks and the aggregated breaks shall not be used to calculate the 15 years of service. No break used to disqualify service shall be used more than once.
3. The following time in which an Employee is not in pay status shall not constitute a break in service as specified in paragraph 2 above:
 - a. Time on a leave approved by the proper authority which is consistent with the Personnel Rules and Regulations of the City of New York or the appropriate personnel authority of a covered organization.
 - b. Time prior to a reinstatement.
 - c. Time on a preferred list pursuant to Civil Service Law Sections 80 and 81 or any similar contractual provision.
 - d. Time not in pay status of 31 days or less.Notwithstanding the above, such time as specified in subsections a, b and c above shall not be used to calculate the 15 years of service.
4. Once an Employee has completed the 15 years of "City" service in pay status and is eligible to receive the \$800 longevity increment, the \$800 shall become part of the Employee's base rate for all purposes except as provided in paragraph 5 below.
5. The \$800 longevity increment shall not become pensionable until fifteen months after the Employee begins to receive such \$800 increment. Fifteen months after the Employee begins to receive the \$800 longevity increment, such \$800 longevity increment shall become pensionable and as part of the Employee's base rate, the \$800 longevity increment shall be subject to the general increases provided in Article III, Section 3(a) of this Agreement.

Appendix B

Recurring Increment Payment Eligibility Rules

The following rules shall govern the eligibility of Employees for the Recurring Increment Payment (“RIP”) provided for in Article III, Section 16 of the 2010-2017 Social Services and Related Titles Unit Agreement.

1. Only service in pay status shall be used to calculate the qualifying years of service. A continuous year of service shall be a full year of service without a break of more than 31 days. Where the regular and customary work year for a title is less than a twelve month year, such as a school year, such regular and customary year shall be credited as a continuous year of service counting towards the qualifying years of service. If the normal work year for an employee is less than the regular and customary work year for the employee’s title, it shall be counted as a continuous year of service if the employee has customarily worked that length work year and the applicable agency verifies that information.
2. Part-time employees shall be ineligible to receive RIPs, but prior part-time service shall be credited to full-time employees on a pro rata basis, provided all other terms and conditions set forth herein are met.
 - a. An employee must have regularly worked at least one half the regular hours of full time employees in the same title or if no full-time equivalent title exists then at least 17-1/2 hours for white collar positions or 20 hours for blue collar positions.
 - b. Such part time service shall be prorated by dividing the number of hours worked per week by a part-time employee by the number of hours worked per week by a full-time employee in the same title. If no full-time equivalent title exists then the divisor shall be 35 hours for white collar positions or 40 hours for blue collar positions.
3. Service in pay status prior to a break in service of more than one year shall *not* be used to calculate the qualifying years of service.
4. The following time in which an Employee is not in pay status shall not constitute a break in service, but such time shall *not* be used to calculate the qualifying years of service:
 - a. time on a leave approved by the proper authority which is consistent with the Personnel Rules and Regulations of the City of New York or the appropriate personnel authority of a covered organization,
 - b. time prior to a reinstatement,
 - c. time on a preferred or recall list, and
 - d. time not in pay status of 31 days or less.
5. RIPs shall be considered a salary adjustment for the purposes of Article III, Section 1(d) of this Agreement and the maximum salary of an eligible title shall not constitute a bar to the payment thereof.
6. Once an Employee has qualified for a RIP and is receiving it, the RIP shall become part of the Employee’s base rate and included in calculating all salary based payments, except as provided in paragraph 7 below. Any future negotiated general increases shall be applied to RIPs.
7. A RIP shall not become pensionable until two years after the Employee begins to receive such RIP.

Harry Nespoli
Chair, Municipal Labor Committee
125 Barclay Street
New York, NY 10007

Dear Mr. Nespoli:

This is to confirm the parties' mutual understanding concerning the following issues:

1. Unless otherwise agreed to by the parties, the Welfare Fund contribution will remain constant for the length of the successor unit agreements, including the \$65 funded from the Stabilization Fund pursuant to the 2005 Health Benefits Agreement between the City of New York and the Municipal Labor Committee.
2. Effective July 1, 2014, the Stabilization Fund shall convey \$1 Billion to the City of New York to be used to support wage increases and other economic items for the current round of collective bargaining (for the period up to and including fiscal year 2018). Up to an additional total amount of \$150 million will be available over the four year period from the Stabilization Fund for the welfare funds, the allocation of which shall be determined by the parties. Thereafter, \$ 60 million per year will be available from the Stabilization Fund for the welfare funds, the allocation of which shall be determined by the parties.
3. If the parties decide to engage in a centralized purchase of Prescription Drugs, and savings and efficiencies are identified therefrom, there shall not be any reduction in welfare fund contributions.
4. There shall be a joint committee formed that will engage in a process to select an independent healthcare actuary, and any other mutually agreed upon additional outside expertise, to develop an accounting system to measure and calculate savings.

5. The MLC agrees to generate cumulative healthcare savings of \$3.4 billion over the course of Fiscal Years 2015 through 2018, said savings to be exclusive of the monies referenced in Paragraph 2 above and generated in the individual fiscal years as follows: (i) \$400 million in Fiscal Year 2015; (ii) \$700 million in Fiscal Year 2016; (iii) \$1 billion in Fiscal Year 2017; (iv) \$1.3 billion in Fiscal Year 2018; and (v) for every fiscal year thereafter, the savings on a citywide basis in health care costs shall continue on a recurring basis. At the conclusion of Fiscal Year 2018, the parties shall calculate the savings realized during the prior four-year period. In the event that the MLC has generated more than \$3.4 billion in cumulative healthcare savings during the four-year period, as determined by the jointly selected healthcare actuary, up to the first \$365 million of such additional savings shall be credited proportionately to each union as a one-time lump sum pensionable bonus payment for its members. Should the union desire to use these funds for other purposes, the parties shall negotiate in good faith to attempt to agree on an appropriate alternative use. Any additional savings generated for the four-year period beyond the first \$365 million will be shared equally with the City and the MLC for the same purposes and subject to the same procedure as the first \$365 million. Additional savings beyond \$1.3 billion in FY 2018 that carry over into FY 2019 shall be subject to negotiations between the parties.

6. The following initiatives are among those that the MLC and the City could consider in their joint efforts to meet the aforementioned annual and four-year cumulative savings figures: minimum premium, self-insurance, dependent eligibility verification audits, the capping of the HIP HMO rate, the capping of the Senior Care rate, the equalization formula, marketing plans, Medicare Advantage, and the more effective delivery of health care.

7. Dispute Resolution

- a. In the event of any dispute under this agreement, the parties shall meet and confer in an attempt to resolve the dispute. If the parties cannot resolve the dispute, such dispute shall be referred to Arbitrator Martin F. Scheinman for resolution.
- b. Such dispute shall be resolved within 90 days.
- c. The arbitrator shall have the authority to impose interim relief that is consistent with the parties' intent.
- d. The arbitrator shall have the authority to meet with the parties at such times as the arbitrator determines is appropriate to enforce the terms of this agreement.
- e. If the parties are unable to agree on the independent health care actuary described above, the arbitrator shall select the impartial health care actuary to be retained by the parties.
- f. The parties shall share the costs for the arbitrator and the actuary the arbitrator selects.

If the above accords with your understanding and agreement, kindly execute the signature line provided.

Sincerely,

Robert W. Linn

DISCIPLINARY PROCEDURE FOR PROVISIONAL EMPLOYEES

1. Purpose

New York State Civil Service Law, Article 4, Title B, §65 governs provisional appointments. The purpose of this agreement is to establish a disciplinary procedure for certain provisional employees in the context of the City of New York's five-year plan to reduce provisional appointments as approved, with certain modifications, by the New York State Civil Service Commission on September 22, 2008 and accepted by the Commissioner of Citywide Administrative Services on October 22, 2008.

2. Eligibility Criteria

- a.** The employee must have served for at least two (2) years in the same or similar title or related occupational group in the same agency without a break in service (see: below) of more than 31 days; and
- b.** The employee must have been serving provisionally in such competitive class position on a full-time per annum or full-time per diem basis and assigned regularly to work the normal, full-time work week established for that title. (see: Attachment A for special provisions applicable to School Based Employees.)
- c.** Prior provisional service followed by permanent service may not be aggregated with current provisional service (*e.g.* prior provisional service as a temporary or seasonal "step-up" followed by permanent service may not be counted towards meeting the service requirement in an employee's current provisional position.)

The following unpaid time in excess of 31 days will not be deemed a break in service or be counted as service:

- (i)** for maternity/childcare leave;
- (ii)** for military leave;
- (iii)** jury duty;
- (iv)** for union business pursuant to Executive Order 75;
- (v)** while pending workers' compensation determination;
- (vi)** while on workers' compensation option 2;
- (vii)** due to illness or exhaustion of paid sick leave; and
- (viii)** due to family illness.

3. Exceptions

- a. No provisional employee shall be deemed to be permanently appointed under any circumstances, nor shall this disciplinary procedure be deemed to preclude removal of any provisional employee as a result of the establishment of, or appointment from, an appropriate eligible list, or in accordance with any other provision of law.
- b. Notwithstanding the provisions in Section 2, Eligibility Criteria, above, this Disciplinary Procedure shall not be available to any employee appointed on a provisional basis to any position for which one or more appropriate eligible lists have been established including but not limited to any list established pursuant to a plan approved in accordance with NYS Civil Service Law Section 65(5)(b).

4. Procedure

When a claimed wrongful disciplinary action has been taken against an eligible provisional employee (see: Eligibility Criteria), the following procedure shall govern upon service of written charges of incompetence or misconduct:

STEP A Following the service of written charges, a conference with such employee shall be held with respect to such charges by the person designated by the agency head to review a grievance at STEP I of the Grievance Procedure set forth in Article XV of this Agreement.¹ The employee may be represented at such conference by a representative of the Union. The person designated by the agency head to review the charges shall take any steps necessary to a proper disposition of the charges and shall issue a determination in writing by the end of the fifth day following the date of the conference.

STEP B(i) If the employee is not satisfied with the determination at STEP A above, then the employee may choose to proceed in accordance with the Grievance Procedure set forth in Article XV of this Agreement through STEP III. The Union, with the consent of the employee, shall have the right to proceed to binding arbitration pursuant to STEP IV of such Grievance Procedure. The period of an employee's suspension without pay pending hearing and determination of charges shall not exceed thirty (30) days.

STEP B(ii) An appeal from the determination of STEP A above shall be made to the agency head or designated representative. The appeal must be made in writing within five (5) work days of the receipt of the determination. The agency head or designated representative shall meet with the employee

¹ Reference is to 1995-2001 Citywide Agreement.

and the Union for review of the grievance and shall issue a determination to the employee and the Union by the end of the tenth work day following the day on which the appeal was filed. The agency head or designated representative shall have the power to impose the discipline, if any, decided upon, up to and including termination of the accused employee's employment. In the event of such termination or suspension without pay totaling more than thirty (30) days, the Union with the consent of the grievant may elect to skip STEP C of this Section and proceed directly to STEP D.

STEP C If the grievant is not satisfied with the determination of the agency head or designated representative the grievant or the Union may appeal to the Commissioner of Labor Relations in writing within ten (10) days of the determination of the agency head or designated representative. The Commissioner of Labor Relations shall issue a written reply to the grievant and the Union within fifteen (15) work days.

STEP D If the grievant is not satisfied with the determination of the Commissioner of Labor Relations, the Union with the consent of the grievant may proceed to arbitration pursuant to the procedures set forth in STEP IV of the Grievance Procedure set forth in Article XV of this Agreement.

The arbitrator's decision, order or award (if any) shall be limited to the application and interpretation of the Agreement and the arbitrator shall not add to, subtract from or modify the Agreement. The arbitrator's award shall be final and binding and enforceable in any appropriate tribunal in accordance with Article 75 of the Civil Practice Law and Rules. The arbitrator may provide for and direct such relief as the arbitrator deems necessary and proper, subject to the limitations set forth in this Procedure and any applicable limitations of law.

5. Limitations on Arbitrator's Award

Notwithstanding any inconsistent provision of this Procedure, when an eligible list exists for the title that the employee held provisionally, an Arbitrator shall not be empowered to order reinstatement of an employee.

This limitation shall not preclude a monetary remedy for any portion of the period covered from the implementation of the disciplinary penalty at issue in the grievance to the date of the establishment of an eligible list.

6. Expiration Date

This Disciplinary Procedure shall expire on the earlier of either of the following:

- a. the expiration or termination of a plan approved pursuant to subdivision 5 of section 65 of the Civil Service Law; or
- b. December 31, 2014.

Attachment A
School Based Employees

An employee of the Department of Health who is regularly and exclusively assigned to work at a Board of Education facility (hereinafter, "School Based Employee" or "SBE") shall be covered by the provisional disciplinary provisions set forth herein, provided that the following criteria are met:

- a. Such SBE must regularly work the listed full-time work week established for a per annum title set forth in Appendix A of the 1995-2001 Citywide Agreement during the customary school year without a break in service of more than 31 days.
- b. If such SBE is placed in unpaid status at the end of the customary school year, such period in unpaid status during the customary break between school years shall be deemed an authorized leave without pay and not considered a break in service. However, such authorized leave without pay during the break between customary school years shall not be creditable towards meeting the required two years of service required for provisional disciplinary rights.
- c. Such SBE, upon return to paid status from the break between customary school years, must continue to be assigned to regularly work on a full-time basis without a break in service of more than 31 days.
- d. If such SBE is assigned to work during all or part of the break between customary school years, such time in paid status shall count towards meeting the two year service requirement for provisional disciplinary rights provided such service is on a full-time basis. However, no part-time service rendered during such break between customary school years shall be creditable towards meeting the required two years of service required for provisional disciplinary rights.
- e. SBEs meeting the above criteria shall become eligible for the provisional disciplinary rights set forth herein when their aggregated full-time service during consecutive customary school years (inclusive of any *full-time* service rendered during the breaks between such consecutive customary school years) totals the required two years. Under typical circumstances, this would be expected to occur sometime during their third school year of employment.

Re: Pending Provisional Employee Disciplinary Cases

Dear Ms. Seinfeld:

This letter confirms our mutual understanding and agreement concerning certain provisional employees on whose behalf grievances alleging claimed wrongful disciplinary actions by the agency were filed prior to and/or subsequent to the Court of Appeals' decision in *CSEA v. Long Beach* but which cases have been held in abeyance and have not progressed to arbitration.

In addition to the limitation set forth in Section 5. of the "Disciplinary Process for Provisional Employees", in determining a "back pay" award, if any, the arbitrator shall exclude the period of time from the date of the Long Beach decision through January 28, 2008. An arbitrator may award "back pay" for the period subsequent to the affected employee's discipline/termination but prior to the Court of Appeals' decision in *CSEA v. Long Beach* (that is, May 1, 2007.) However, in no case may "back pay" be awarded for any period during which a provisional employee was serving while an eligible list existed for the title the employee held provisionally. Moreover, in awarding backpay, the Arbitrator must consider the efforts of the employee in mitigating his or her damages and must also offset any backpay award by any and all interim earnings, including unemployment compensation. In no event may an employee be awarded backpay in excess of one year's base salary for the position s/he held provisionally.

If you concur with the contents set forth herein, please execute the signature line provided below.

Very truly yours,

James F. Hanley

STEP A Following the service of written charges, a conference with such employee shall be held with respect to such charges by the person designated by the agency head to review a grievance at STEP I of the Grievance Procedure set forth in Article XV of this Agreement.¹ The employee may be represented at such conference by a representative of the Union. The person designated by the agency head to review the charges shall take any steps necessary to a proper disposition of the charges and shall issue a determination in writing by the end of the fifth day following the date of the conference.

STEP B(i) If the employee is not satisfied with the determination at STEP A above, then the employee may choose to proceed in accordance with the Grievance Procedure set forth in Article XV of this Agreement through STEP III. The Union, with the consent of the employee, shall have the right to proceed to binding arbitration pursuant to STEP IV of such Grievance Procedure. The period of an employee's suspension without pay pending hearing and determination of charges shall not exceed thirty (30) days.

STEP B(ii) An appeal from the determination of STEP A above shall be made to the agency head or designated representative. The appeal must be made in writing within five (5) work days of the receipt of the determination. The agency head or designated representative shall meet with the employee

and the Union for review of the grievance and shall issue a determination to the employee and the Union by the end of the tenth work day following the day on which the appeal was filed. The agency head or designated representative shall have the power to impose the discipline, if any, decided upon, up to and including termination of the accused employee's employment. In the event of such termination or suspension without pay totaling more than thirty (30) days, the Union with the consent of the grievant may elect to skip STEP C of this Section and proceed directly to STEP D.

STEP C If the grievant is not satisfied with the determination of the agency head or designated representative the grievant or the Union may appeal to the Commissioner of Labor Relations in writing within ten (10) days of the determination of the agency head or designated representative. The Commissioner of Labor Relations shall issue a written reply to the grievant and the Union within fifteen (15) work days.

STEP D If the grievant is not satisfied with the determination of the Commissioner of Labor Relations, the Union with the consent of the grievant may proceed to arbitration pursuant to the procedures set forth in STEP IV of the Grievance Procedure set forth in Article XV of this Agreement.

The arbitrator's decision, order or award (if any) shall be limited to the application and interpretation of the Agreement and the arbitrator shall not add to, subtract from or modify the Agreement. The arbitrator's award shall be final and binding and enforceable in any appropriate tribunal in accordance with Article 75 of the Civil Practice Law and Rules. The arbitrator may provide for and direct such relief as the arbitrator deems necessary and proper, subject to the limitations set forth in this Procedure and any applicable limitations of law.

5. Limitations on Arbitrator's Award

Notwithstanding any inconsistent provision of this Procedure, when an eligible list exists for the title that the employee held provisionally, an Arbitrator shall not be empowered to order reinstatement of an employee.

This limitation shall not preclude a monetary remedy for any portion of the period covered from the implementation of the disciplinary penalty at issue in the grievance to the date of the establishment of an eligible list.

6. Expiration Date

This Disciplinary Procedure shall be deemed to have been in force and effect on and after the expiration date of the original Disciplinary Procedure for Provisional Employees, as approved on August 30, 2011, and shall expire on the earlier of the following:

Attachment A
School Based Employees

An employee of the Department of Health who is regularly and exclusively assigned to work at a Board of Education facility (hereinafter, "School Based Employee" or "SBE") shall be covered by the provisional disciplinary provisions set forth herein, provided that the following criteria are met:

- a. Such SBE must regularly work the listed full-time work week established for a per annum title set forth in Appendix A of the 1995-2001 Citywide Agreement during the customary school year without a break in service of more than 31 days.
- b. If such SBE is placed in unpaid status at the end of the customary school year, such period in unpaid status during the customary break between school years shall be deemed an authorized leave without pay and not considered a break in service. However, such authorized leave without pay during the break between customary school years shall not be creditable towards meeting the required two years of service required for provisional disciplinary rights.
- c. Such SBE, upon return to paid status from the break between customary school years, must continue to be assigned to regularly work on a full-time basis without a break in service of more than 31 days.
- d. If such SBE is assigned to work during all or part of the break between customary school years, such time in paid status shall count towards meeting the two year service requirement for provisional disciplinary rights provided such service is on a full-time basis. However, no part-time service rendered during such break between customary school years shall be creditable towards meeting the required two years of service required for provisional disciplinary rights.
- e. SBEs meeting the above criteria shall become eligible for the provisional disciplinary rights set forth herein when their aggregated full-time service during consecutive customary school years (inclusive of any *full-time* service rendered during the breaks between such consecutive customary school years) totals the required two years. Under typical circumstances, this would be expected to occur sometime during their third school year of employment.

Re: Provisional Due Process Eligibility

Dear Mr. Paskin:

This letter serves to convey the City of New York's position regarding due process procedures for provisional employees outlined in the agreement dated April 26, 2018, entered into between the City of New York and District Council 37 and supersedes the Agreement dated August 30, 2011, entered into after the Union's withdrawal of the Improper Practice Petition docketed as BCB-2899-10.

The Office of Labor Relations (OLR) shall apply the terms of the attached "Disciplinary Procedure for Provisional Employees" and side letter agreement between the City and DC 37 to other unions covered by the Career and Salary Plan. However, this "Disciplinary Procedure for Provisional Employees" and side letter agreement shall not expand rights previously embodied in Article XVI of the January 1, 1995 through June 30, 2001 Citywide Agreement, as amended, nor shall it confer any rights or benefits that provisional employees did not enjoy under the Citywide Agreement, or under an applicable unit agreement, before the decision in *CSEA v. Long Beach*.

The "Disciplinary Procedure for Provisional Employees" and side letter agreement specifically exclude the New York City Health and Hospitals Corporation ("HHC") even though HHC is a signatory to the Citywide Agreement.¹

The Parties shall append the "Disciplinary Procedure for Provisional Employees" and attachments B and C to the Citywide Agreement and to the unit agreements provided such unit agreements previously extended such coverage to provisional employees.

If the above terms are acceptable to DC 37, please execute the signature line provided below.

Very truly yours,

Robert W. Linn

Re: Pending Provisional Employee Disciplinary Cases

Dear Mr. Paskin:

This letter confirms our mutual understanding and agreement concerning certain provisional employees on whose behalf grievances alleging claimed wrongful disciplinary actions by the agency were filed prior to and/or subsequent to the Court of Appeals' decision in *CSEA v. Long Beach* but which cases have been held in abeyance and have not progressed to arbitration.

In addition to the limitation set forth in Section 5 of the "Disciplinary Process for Provisional Employees" in determining a "back pay" award, if any, the arbitrator shall exclude the period of time from the date of the *Long Beach* decision through January 28, 2008. An arbitrator may award "back pay" for the period subsequent to the affected employee's discipline/termination but prior to the Court of Appeals' decision in *CSEA v. Long Beach* (that is, May 1, 2007.) However, in no case may "back pay" be awarded for any period during which a provisional employee was serving while an eligible list existed for the title the employee held provisionally. Moreover, in awarding backpay, the Arbitrator must consider the efforts of the employee in mitigating his or her damages and must also offset any backpay award by any and all interim earnings, including unemployment compensation. In no event may an employee be awarded backpay in excess of one year's base salary for the position s/he held provisionally.

If you concur with the contents set forth herein, please execute the signature line provided below.

Very truly yours,

Robert W. Linn
